FIFTH ANNUAL REPORT OF

THE RECREATION, PARKS AND WILDLIFE FOUNDATION

The Foundation was established by Chapter 49 of the Statutes of Alberta, 1976, with the objective, as set out in Section 3 of the Act, of providing the opportunity to interested persons, corporations and organizations to donate or bequest real or personal property to be used for:

(a) the development or maintenance of recreational programs, facilities and services;

(b) the development or maintenance of parks;

(c) the management, conservation or preservation of fish and wildlife.

The Foundation is an agent of the Crown in the right of Alberta and thus gifts to the Foundation qualify for the maximum benefit under Paragraph 110 (1) (b) of the Income Tax Act (Canada).

The other main objective of the Foundation is to provide grants to any individual, organization or educational institution for creative, innovative and unique projects or activities which will complement, rather than duplicate existing programs and services in Recreation, Parks and Wildlife in the Province.

Membership consists of not more than 12 persons appointed by the Lieutenant Governor in Council. By Order in Council 1244/81, dated the 16th of December, 1981, the following persons were appointed members of the Foundation, each for the term of office specified:

	Term of Office
Sherrold Moore, Calgary (Chairman)	3 years
David Gould, Canmore	3 years
Glen Semenchuk, Edmonton	3 years
Maury Van Vliet, Jr., Spruce Grove	3 years

	Term of Office
Ernest O. Lindholm, New Norway	2 years
John E. Thorpe, Calgary	2 years
Vern H. Wiebe, Fort McMurray	2 years
John Majcher, Mayerthorpe	2 years
Jocelyn Drever, Edmonton	1 year
H. W. Hoag, Grande Prairie	1 year

The Foundation received a total of 178 grant applications valued at $8,308,718.49 for the period of April 1, 1981 to March 31, 1982 (Appendix A).

The bank balance of the Foundation at the beginning of the year amounted to $1,626,885.00. During the year the Foundation received $1,171,875.00 as a recipient of a share of the net profits of the Western Canada Lottery Foundation (Alberta Division), $256,793.00 in private and corporate donations, and earned $303,885.00 in interest for a total revenue of $1,807,553.00 including a grant from the Province of Alberta Department of Recreation and Parks. Expenditures for the year totalled $1,862,254.00, including 119 grants awarded for projects within the Province amounting to $1,671,742.00 (Appendix B). The total of unexpended funds at the end of the year was $1,572,184.00.

Under Section 2 of The Recreation, Parks and Wildlife Foundation Act, the Auditor General is the auditor of the Foundation. The Auditor General examined the Balance Sheet of the Foundation as at March 31, 1982 and the Statement of Revenue, Expenditure and Unexpended Funds for the period ending on that date and has given a report to the members of the Foundation stating that in his opinion "these financial statements present fairly the financial position of the Foundation as at March 31, 1982, and the results of its operations for the period then ended in accordance with generally accepted accounting principles".

A copy of the Balance Sheet and of the Statement of Revenue, Expenditure and Unexpended Funds for the period from April 1, 1981 to March 31, 1982 appear as Statements A and B attached to this report.

ALBERTA LEGISLATURE

OFFICE OF THE AUDITOR GENERAL

AUDITOR'S REPORT

To the Members of The Recreation, Parks
and Wildlife Foundation

I have examined the balance sheet of The Recreation, Parks and Wildlife Foundation as at March 31, 1982 and the statement of revenue, expenditure and unexpended funds for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Foundation as at March 31, 1982 and the results of its operations for the year then ended in accordance with the disclosed basis of accounting described in Note 2 to the financial statements applied, after giving retroactive effect to the change in the method of accounting for revenue as explained in Note 3 to the financial statements, on a basis consistent with that of the preceding year.
